Perception

The colour of 7 squares in the first image have changed in the second image. Can you identify all 7 changes in one minute?

Kakuro

In this number crossword, fill the white squares so that the sum total of each across or down run of squares matches the total at the start of that run. A number cannot repeat within a run, and you must use numbers from 1-9 only.

Word Ladder

Move from the word at the top of the ladder to the word at the bottom of the ladder by changing one letter on each step of the ladder. Do not rearrange the order of the letters.
